

**Incredible  
Adventures**

Specialists in delivering San Francisco  
based regional tours & destination  
management solutions throughout the USA

# WHAT WE OFFER

Incredible Adventures has been offering travelers a safe and reliable way to connect with nature since 1993. Today, we offer small group San Francisco based regional tours and DMC services and solutions throughout North America. Our small groups provide a relaxed, fun-filled experience while minimizing the environmental impacts on the local communities we visit.

# WHY CHOOSE US

We have over 20 years of experience creating, executing & operating tours in all 50 states. With a specialty tied to the great outdoors, we love creating active adventure-focused itineraries to showcase our National Parks and the local cities nearby. Whether it's a camping or hotel trip or a mix of both, our experienced guides know all the fun facts and where the local hotspots are!

# CUSTOM TOURS

Looking for something unique?  
The sky is the limit, literally. We can offer guided hikes, wildlife viewing, cultural experiences, and anything else to your custom itineraries to make it the trip of a lifetime. We can create custom FIT, GIT, and MICE experiences for both small and large groups. Let us know what you're dreaming of and we can help design the trip and experience of a lifetime!

## OUR CLIENTS

Incredible Adventures offers amazing custom and white-label itineraries for both small and larger sized groups and tour operators. We're looking forward to working with you to design a specialty tour or series for your brand and organization. Don't just take our word for it, here are some of our global partners who also share in our sense of adventure!

# WE PROMISE TO PROTECT THE PLANET

To minimize the environmental impact of our business on the destinations we visit, we are one of the few regional tour operators who uses sustainable, petroleum-free biofuel made from recycled cooking oil and renewable plant-based stocks.

# \$72,410

Dollars spent in 2022 on entrance fees at Yosemite Nat'l Park. 80% of that money stays in the park, and the other 20% is used to benefit parks that do not collect fees.

# \$146,776

Dollars spent in 2022 on entrance fees at National Parks throughout the United States. A few of the parks we visit are Yellowstone, Denali and Rocky Mountain Nat'l Park.

# 18,303

Our total number of guests in 2022 that helped us make a positive economic impact on the communities and regions we visited across the United States.

# 50%

Percentage of Incredible Adventures managerial roles that are occupied by women versus the industry average of 25.5% for the travel and hospitality sector.

## WHAT WE BELIEVE IN

At Incredible Adventures, we believe strongly in sustainable travel and preserving the wild lands and National Parks of America, and know that tourism can be a strong factor in whether these magnificent areas continue to thrive for future generations to enjoy. Our annual Sustainability Reports helps quantify and drive our business and our commitment to making a positive impact.
